The Red Devils finished out the Elementary Boys' cage league Saturday in the Torrance High School gym, with a 17-5 win over the Seagulls to give the Devils the loop title.

Warrior Nine Meets Valley JC Tomorrow
Coach Doug Essick and the El Camino baseballers travel to Valley Junior College tomorrow for an encounter with the Monarchs and then pit their team against the Warriors from Santa Monica Tuesday.

Valley's coach, Charlie Mann, having the same trouble as Essick of finding a winning combination, will probably start with his ace hurler, John Ehrlich, a returning letterman who won six and lost only one last year. Essick will probably come back with Joe Constable and Jerry Parker.

The Valley nine has a win over Loyola College while the Camminons gained a split with the Warriors.

In last season's Metro race the Warriors won their first encounter against the Valley squad, but lost a tough one in the second round of play.

Santa Monica, bolstered this year by some high class prep talent, is the fourth conference team on the Warriors schedule and their second one at home. The Warriors also split a pair with the Corsairs.

El Camino, Valley, and Santa Monica finished in a tie for fifth in the Metropolitan Conference last season with 17 wins and nine losses.

Varsity letters went to Bob Boss, Sterling Brown, Hester, Don Iwata, Jim Lawrence, Lee, Gus Sanchez and Tom Vanderpool. It was the fourth cage letter for Vanderpool and the second for Hester and Boss. Coach George Stanich presented the letters.

Lee received added laurels when he was named captain of the squad at the dinner.

Jayvee letters were awarded to Jack Anderson, Tom Ito, Kent Jackson, Mike Kendall, Richard Malone, Jerry Mathews, Ron Petrilli, Richard Ruffell, Ron Waller and Manager Don Mitchell. It was the second cage award for Petrilli, Stanich again made the presentation.

Ruffell was named as team captain.

Bee letters went to Mike Bertolo, Craig Edman, Jess Henton, Toby Venable, Dale Mead, Jim Schmidt, Gary Smith, and Jerry Thrall. It was the second award for Edman. Coach Jack Miller presented the Bee letters. Thrall was named team captain.

Cee letters were awarded to Mickey Babbitt, Ray Beadle, Bob Grajeda, Ron Hase, Tom Hasse, Tak Hiromoto, Gary MacDougal, Paul O'Kain, Joe Rios, Jack Taylor, Cliff Witherspoon and Dave Skinner. It was the second award for Babbitt.

Lee Named THS Cager for 1955

The name of Barrett Lee was added to the Torrance High School Sports Hall of Fame last night, as the Tartar's top scorer and field general was named Basketball All-American at the cage awards banquet.

A senior, Lee scored 121 points in the Tartar's 12 Bay

League games to top individual scoring. He was the most consistent of the team's point-getters and a good floor man.

Lee received an All-American blanket as his special award.

In addition to the main award, Dennis Hester, who broke the school single-game scoring record, received an award from the CIF for being given honorable mention on the All-CIF prep cage squad. Joe Fazio, THS student body prexy, made the presentation.

Wilbur Jones, UCLA athletic director, was the featured speaker at the dinner.

Varsity letters went to Bob Boss, Sterling Brown, Hester, Don Iwata, Jim Lawrence, Lee, Gus Sanchez and Tom Vanderpool. It was the fourth cage letter for Vanderpool and the second for Hester and Boss. Coach George Stanich presented the letters.

McKee had games of 193, 234 and 182 to also gain the high individual series—609.

The Torrance team won the first line, 981 to 950 and overwhelmed the losers in the second line, 987 to 869. Twentieth Century took the third match, 908 to 847.

MT. CARMEL RALLIES FOR 7-6 VICTORY

Mt. Carmel's horseholders tallied twice in the last half of the seventh inning to hand Coach Del Nuzum's Tartar Varsity their first loss of the season Tuesday, by a 7-6 count.

The winners got off to a quick three-run lead in the first inning of the see-saw battle and held that lead until the top of the fourth frame. The locals scored three times in that inning to tie the count, but Mt. Carmel came right back in the last of the fourth to score two runs and gain a 3-1 lead.

Barrett Lee, hard-hitting Tartar third sacker, clobbered a fast pitch for a three-run homer in the top of the seventh to give the Tarts a 6-5 margin.

Tom Vanderpool, Tom Mills and Ron Anderson split the pitching chores for Nuzum's nine. Vanderpool, the Tartar football basketball star, yielded three runs in the 11th inning to the Carmel crew.

Anderson was charged with the loss.

Torrance meets Morningside's Monarchs Monday at Morningside in another practice game.

Tartar Spike Team Meets Redondo High

Redondo High's Seahawks host the Torrance Tartars tomorrow in a dual trackfest. First event starts at 2:45 p.m.

The Tartars, coached by Willard Morgan and Don Porter, took it on the chin in their first meet, as they were swamped in a three-way get together with Monrovia and Arcadia at Monrovia.

Next time out, however, the locals cooked Loyola in two of the three divisions. The Tartar Varsity and Bee squads overwhelmed the Lions, but the Tartars dropped the decision to the Loyola tracksters by two points.

Last week, the Tarts rested after being rained out of a triangular job with Santa Monica and Burroughs of Burbank. The meet was canceled permanently.

Morgan and Porter expect the following spikers to score for Torrance: Bob Boss, Dennis Hester, Gary Cooke, Duane Cooke, Al Rainwater, Skip Smith, Gene Daimler and Jack Barber.

ROD & GUN Chatter

By DONNA BARKDULL

Surf addicts have only managed to pick up a smattering of the elusive barred perch from Second St. in Hermosa the last couple of weeks. Odd thing about it is that there might be 25 fishing and only one or two will connect. Guess that's where the luck comes in. Starting about now and running the first half of April, we should see all sorts of action on the perch front, that is of course, the same pattern of last year is followed.

Officially, the deep sea sport-fishing opened last week end with all landings running half and all day boats. Bait is good besides being abundant and if the early takes mean anything, we should have a rip roaring season. Small barriers reported at the island plus white sea bass. Boats out of Norm's landing also getting limits of pencils and good size whites. From Paradise Cove on down to local banks big flats are giving anglers a run for their money.

A smattering of yellowtail reportedly taken by scout boats out of San Diego—good bottom fishing and a few big white sea bass. All in all prospects couldn't be any better!

The Gardena Rod and Gun held their 2nd opal-eye derby last Sunday on the Federal breakwater with Gene Tolson again coping top honors. I said again because he has won it all three. This time his catch went 3 pounds, 14 ounces, 4 pounds, 2 ounces, and 4 pounds, 9 ounces. The night before he finally hoisted his button barred perch hitting 3 pounds, 10 ounces. Couldn't have had a better week end!

Hoping the Gardena club left a few opal-eyes, the Torrance

Rod and Gun slated their derby for March 27th. The winning fish will be mounted at the expense of the club and with an appropriate blac returned to the angler who caught it. Best idea that has come up in a long time.

Speaking of opal-eyes, some dandies are being taken off the Redondo Breakwater. Youngster Johnny Anderson reeled in a beauty topping 3 pounds, 10 1/2 ounces, right at the bend. Jim Mill has been getting his limit both opal-eye and barred perch at a secret hole near San Clemente. Top perch hit 3 pounds, 4 ounces, with the opal-eye topping 4 pounds, 2 ounces. Jim and Johnny used soft shells while those on the Federal breakwater used moss and peas, canned peas at that.

Ray Hawkes, Carl Hanni and Clow Justice had lots of action drifting for halibut Sunday, until the wind made them head in. Had nine flaties, 8 pounds and under, lots of sculpin and cabezones. Said the halibut fishing was real good, just as the anglers were off. Kept losing the big ones hooked. Guess they have just forgotten what to do with anything over 10 pounds. It'll come to them later on in the season, maybe

Ernie Strong and Art Peterson loaded up on flaties drifting off the cove at Redondo. Erney bounced aboard a dandy topping 19 pounds. The rest went between 10 and 15 pounds.
